

An Overview of Camp Guidelines for Cubs and Parent Bears:

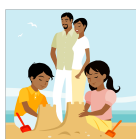

Some parents bring full-time babysitters for young children. Non-dancing babysitters may attend Camp for the cost of meals rather than the full fee (this changes year to year)..

We plan to have the first two dances of each evening dance be kid-friendly; after that, callers will move on to dances designed for experienced dancers. We STRONGLY suggest that only kids who are serious about contra dancing continue to dance after that time.

1. Childcare is not provided. Parents are responsible for making sure that their children are with them or under other appropriate supervision at all times.

2. Children who disrupt Camp activities or do not comply with Dance Camp guidelines may be asked to leave the Camp.

3. Lake activities are at the discretion of the parents; children may not venture near or in the water unless one of their parents or an appropriate adult is physically present. For safety reasons, we require that you bring a PFD (personal flotation device) for any child that will be playing on the dock or on or in the lake.

4. Parents are responsible for directing their children to clean up their crafts/toys when they leave a community play area.

5. Teen Bears may not invite outside guests to any part of the Camp or Campgrounds at any time.

6. We love to have kids at dances...but not underfoot. Front packs or "snugglies" that are soft are welcome on the dance floor.

7. We suggest that you write your child's name on clothing, toys, etc., AND be sure to check the LOST AND FOUND before leaving Camp.

Thanks for your help in making this a safe and fun Camp!
